High Intensity Statins and Cardiovascular Protection  
Systolic Hypertension: Have We Done Enough to Protect from Cardiovascular Disease  
The Role of Insulin Glycemic Goal and Lipid in Cardiovascular Risk  
Impact of Aging in Geriatric Cardiovascular System  
Pulmonary Hypertension: Current Update in Management  
Cancer Related Cardiac Toxicity: What the Guidelines Say  
Chronotropic Incompetence: The Forgotten Issue in Elderly

### **Cardiology in Special Condition**

Current Opportunities in Advanced Cardiac Imaging  
Lower Limb Revascularization in Diabetic Patient: RSCM Experience  
Asymptomatic Carotid Disease in Patient with Coronary Artery Disease  
Device Therapy in Advanced Heart Failure; When Drugs Have Their Limitation  
Infective Endocarditis Prevention in Valvular Heart Disease  
Corrected Congenital Heart Disease and Pregnancy: Issues and Answer  
Prudent Antibiotic in Cardiac Prosthetic Valve Patient: Patient Approach

## **-- *Case Report & Research Poster Exhibition* --**

Participants are invited to submit abstract. All abstracts will be presented as poster presentation. Instruction for submission:

- ☒ Abstract submission should be delivered before March 3<sup>rd</sup>, 2017, via e-mail to [holisticcardiology@yahoo.com](mailto:holisticcardiology@yahoo.com)
- ☒ Text should be not exceed 250 words, with Times New Roman, size: 12
- ☒ Title must be in capitals and be bold at the top of the abstract
- ☒ Tables, graphs, and charts are permitted in abstract

Qualified abstract should be presented at the poster exhibiton. Poster size should be made at 90 x 120 cm and be installed at the day of symposium. Each participant should give an oral presentation about the poster.

## -- Workshops --

### **AHA Certified BLS-ACLS Course**

Graha Cimandiri, Cikini, March 6-8<sup>th</sup>, 2017

Basic and Advanced Cardiac Life Support skills are standard medical care worldwide. Get and renew your BLS-ACLS international certification by AHA.

### **AHA Certified BLS-PALS Course**

Graha Cimandiri, Cikini, March 6-8<sup>th</sup>, 2017

Basic and Pediatric Advanced Life Support skills are standard for pediatric medical care worldwide. Get and renew your BLS- PALS international certification by AHA.

### **Electrocardiography Course**

Shangri-La Hotel, March 12<sup>th</sup>, 2017

Mastering ECG is essential skills for precise cardiology assessment. Master the skills with our interactive course.

### **Hands on Vascular Doppler Ultrasound**

Shangri-La Hotel, March 11<sup>th</sup>, 2017

Learn and Improve your diagnostic skill with our interactive hands on and full day echocardiography workshop, guided with experienced tutor.

### **Dobutamin Stress Echocardiography**

Cipto Mangunkusumo Hospital, March 7<sup>th</sup>, 2017

Improve your skill in the advanced non invasive diagnostic modalities. Learn to prepare, conduct and interpret the result of Dobutamin Stress Echocardiography.

### **Hands on Echocardiography Workshop**

Shangri-La Hotel, March 10<sup>th</sup>, 2017

Learn and Improve your diagnostic skill with our interactive hands on and full day echocardiography workshop, guided with experienced tutor.
